Subject : Low price for cabbage

Dear Sir , I am writing to bring to your attention a pressing issue that concerns the exploitation of local farmers by buyers within our community.  
Farmers being subjected to exploitation by buyer sainath who purchase agricultural products at prices significantly below the fair market rates

These practices have had a severe impact on the livelihoods of our hardworking farmers and have created a climate of economic distress within our agricultural community.

They They had significantly reduced the price of item cabbage.

I expect that you take an action as quick as possible
